Hey – how would you like me to respond to this? I haven't heard from Bob Perlis and I've already annoyed him twice.

I haven't replied yet, and I don't want to get in trouble for being unresponsive if they complain to you guys or something.

Thanks,

Gene

Jennifer Gaines asked me to contact you regarding 4 outstanding fast-track label amendments for our d-CON products.

Can you update me on the status?

These were submitted by Heather Bjornson....but, Heather is no longer with our company. I will be the contact until she is replaced.

Best regards,

**Hal Ambuter**

Jennifer

Hoping you can help out.

I am trying to track down the status of a few registration actions that Heather Bjornson submitted before she left Reckitt Benckiser.

The first are four, fast-track label amendments.

<<EPA Receipt Letters (3282-65-81) dated 8-14-2013.pdf>>

The second is a brand new registration for d-CON Farm and Ranch.

Best regards,
